

# *The Walk of Honor Brick Fundraiser* **The DIGNITY OF WORK LEGACY MONUMENT**

## **MEMORIALIZE that SPECIAL PERSON and Buy a BRICK!**

*The Dignity of Work* is a commissioned permanent monument soon to be dedicated on the grounds of the History Museum of Burke County. It will serve as a testimony for us and future generations of citizens as we reflect and pay honor to the Mill and Factory Workers of Burke County.

Honoring a family member, friend or neighbor, with a personalized brick on the walkway around the Workers' Legacy Monument, is a wonderful tribute.

For a donation of \$100 (4x8 Brick) or \$200 (8x8 Brick), we will install an engraved brick leading up to the Workers' Legacy Monument. All proceeds from The Walk of Honor Brick Fundraiser, will help support the costs to upkeep the Workers' Legacy Monument, and the purchase, installation and upkeep of the bricks.

The standard **4"x8" brick may contain up to three lines of text with 14 characters in a line (spaces and punctuation count)**. Lettering is UPPERCASE and centered on the brick.

The standard **8"x8" brick may contain up to six (6) lines of text with a max of 14 characters in a line (spaces and punctuation count)**. Lettering is UPPERCASE and centered on the brick.

**NOTE:** All Donors will receive an e-mail receipt substantiating their contribution, the date and amount of contribution. Based on your individual tax situation, donations may or may not be tax deductible.
